Name and address of company/ institution attached ----------

Name of Industry-based supervisor ----------

Start date ---------- ---------- ----------

(Month) (Day) (Year)

End date ---------- ---------- ----------

(Month) (Day) (Year)

THE LOG BOOK

2. INTRODUCTION

This logbook is meant to assist students to keep detailed description of the tasks done, and new skills learnt over the course of attachment period. It is also meant to enable industry-based and university supervisors to keep track of the students' progresses, assess their work, and offer guidance where necessary.

2.1 DAILY REPORT

The daily work carried out during the periods of training is to be recorded clearly with sketches and diagrams where applicable.

2.2 WEEKLY REPORT

This is a summary of the work done in a week and should cover theory/ practical report on the worked covered. Students are required to present the log book weekly to the industry-based supervisor for assessment of content and progress. The supervisor can use any page for his or her comments where necessary.

2.2 CHANGE OF ATTACHMENT

A student is expected to start and finish his/her industrial attachment in one establishment. If it becomes absolutely necessary that he /she must change to a different company, the student should secure permission by writing to the university his/her application for a change of place of attachment and should indicate the name and address of company he/she wants to change to.

2.3 UNIVERSITY SUPERVISOR'S VISIT

The University supervisor will check student's log book when he/she visits the students on attachment to ensure that proper training is being received, and record his/her comments on space provided at the end of log book. During the University supervisor can cancel the attachment and advise student to look for attachment elsewhere if he/she feels that proper training is not being offered.

2.4 REPORT WRITING

In addition to the daily and weekly record the student should submit a summary report of the work done during the attachment duration e.g. full coverage of the course, problems encountered, suggested improvements to make the programme worthwhile. The report should contain a summary of the activities the student was involved in, challenges met and new skills learnt.

2.5 REPORT SUBMISSION

The logbook must be submitted to the Department/Centre attachment Coordinator at the end of the attachment

3. ORGARNIZATION CHART

The student should draw the organization chart of the company attached in the space below
